Rose City Run events a community success

There were 1,956 participants who entered the 32nd annual Rose City Run events. There were participants from Georgia, Florida, Alabama, South Carolina, Texas, Illinois and Oregon, representing over 100 towns and cities.

For the first time ever, the winner of the Rose City 10K Run was a resident of Thomas County. Nathan Haskins, who ran cross country at Thomas County Central High School and now runs cross country at Kennesaw State University, had a great time of 32:24.

On July 4th at the 40th annual Peachtree Road Race, Nathan placed 50th out of 55,000 runners. He was the third runner from Georgia to finish. He ran with the female winner from Kenya, Lineth Cherkurui, who finished in 31:31. Quite an accomplishment!

This was also the first year that the winner of all the Rose City Run events, both male and female, were from Thomas County, including the Rose City 10K Run, the Rose City One Mile Run and the Rose City 5K Walk. There were more runners from Thomas County in the Rose City 10K Run than there had been in several years.

Just as was the first Rose City Run in 1978, the 32nd annual Rose City Run events were successful

Thomasville's "Super Man" — Frank Holt at age 90 walked 3.1 miles in 56:54.

because they are truly community events. Without our business supporters, our city and county employees, the Thomasville YMCA and our fantastic volunteer workers (over 300), this would not be possible. To all of you, and especially the *Thomasville Times-Enterprise*, we say thank you.

We still know of no other city that sponsors a walk and a run. It continues to be a privilege to live in Thomasville. May we never forget it.

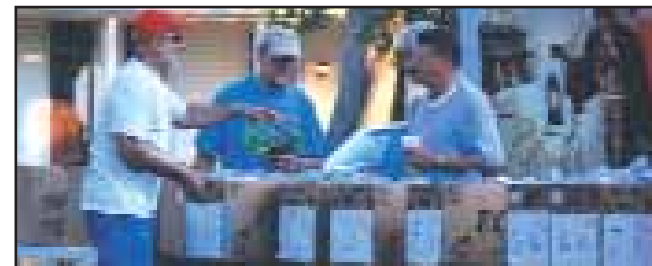

Sincerely,
Dr. and Mrs. Jim Story

Rose City Romp

Nathan Haskins speeds past competition to win

By Clint Thompson
clint.thompson@gafnews.com

THOMASVILLE — History was made at the Rose City Run Saturday.

For the first time in the event's 32-year history, a Thomas County native won the event.

Nathan Haskins, who ran cross country at Thomas County Central, blew away the field in a time of 32:34.

"I've always wanted to do it," said Haskins, who is running cross country at Kennesaw State University. "I always wanted to do the 10K. It was always two weeks before region and one week before conference in college. I red-shirted this year so I was able to come down here and run it."

Haskins' time was more than two minutes better than nine-time champion Jessie Close's mark of 35:08.

"(Haskins) was in another zone," Close said. "He ran a tremendous race. He was in another atmosphere."

Haskins took control from the outset, setting a blistering pace and never letting up. He never trailed, crossing the two-mile marker at 10:10.

"I ran the course on (Friday) so I knew where all the hills were.

Growing up on these streets, I ran them pretty much every day in high school. I knew that the first two miles were relatively flat and a little bit downhill," Haskins said. "You hit a couple of hills when you get about three miles into it. Then it was flat for about a mile and a half. I took it out hard, got to that flat part and just relaxed.

"When I got on the hills, I just started going again."

Also finishing strong was Thomas County resident Dr. Mary Ann Bullard-Grayson. She became just the second runner from Thomas County to win the women's division in the Rose City Run with a time of 41:38.

"I was really happy to run in my hometown with good friends," Bullard-Grayson said. "It's a wonderful race, very well organized, lots of community support."

Bullard-Grayson beat Ashley McGee (42:34) and fellow Thomas Countian (43:08). Though Bullard-Grayson built a comfortable lead, she admitted it wasn't until in the chute at the finish line did she realize she had won.

"I knew there were a lot of good runners in the field, namely Julie Carico," Bullard-Grayson said. "I knew I had better get going or she was going to be right there."

In the One Mile Run that followed the Rose City Run, Ahmad Spencer beat out last year's champ Chase Harris with a time of 5:41.

"It was tough trying to beat some people," Spencer said. "(Chase) was on me at the edge but I had to go faster." Harris finished second in a time of 5:51. Trevor Wright finished third.

McKenzie Harrell was the female winner in the One Mile Run with a time of 6:28. Julia Hilson finished second, and Sara Claire Fennell was third.

Repeat performance

Blackburn wins walk again

By Clint Thompson
clint.thompson@gafnews.com

THOMASVILLE — Youth was served again at the Rose City Walk. In a battle between a Thomas County Central student and a six-time winner of the event, Yellow Jackets baseball player Matt Blackburn pulled away from Joel Carter to repeat as walk champion. “It feels real good. The pressure’s off now,” Blackburn said. Blackburn finished in a time of 27:57, almost three minutes better than his time of 30:54 last year. “I actually felt better in this one than I did in the Heritage (Walk),” Blackburn said. “I felt like I was in better shape. It was tough, though. That last hill got me. It’s tough. “I don’t think this time I was sweating near as much. I felt better.” Carter finished with a time of 28:19. “I thought I had a shot there

halfway through it,” Carter said. “(Matt) kicked it in and I couldn’t keep up. “I felt real good. This is the best I felt in three or four years.” Blackburn added, “He’s a machine, for sure. He’s a good walker. I think I was just a little younger than he is. That’s all that was.” Carter said Blackburn pulled away from him at the two-mile mark. “I didn’t have enough wind,” Carter said. “I think I kept the same pace pretty much the whole race. “I’m not bragging, but I know how to race walk. So I kind of thought, maybe, my technique could overpower his age, but it wasn’t enough, though.” Gene Opheim finished third with a time of 29:10. Rachel Cooper was the female winner with a time of 30:25. Nancy Herring was second and Pamela Harrell was third.
